Mohd Mudabbir Arafat

Full Stack Developer | Backend Engineer | Software Engineer

+91-8957426331 | mudabbirarafat000@gmail.com | Gurgaon, India | linkedin.com/in/mudabbirarafat | github.com/Mudabbirarafat

PROFESSIONAL SUMMARY

Motivated Full Stack Developer and B.Tech fresher (2026) with production engineering experience building AI-powered job-search features at Joveo using Next.js, React, and Supabase/PostgreSQL, alongside hands-on expertise across the MERN stack, Spring Boot, and FastAPI. Proficient in REST API development, JWT-based authentication, relational and NoSQL databases, and cloud deployment. Experienced across the full software development lifecycle through internships and production-grade projects; targeting Software Engineer / Graduate Engineer Trainee roles at product or service organisations.

TECHNICAL SKILLS

Languages	Java | Python | JavaScript (ES6+) | SQL
Frontend	React.js | Next.js | HTML5 | CSS3 | Tailwind CSS | Responsive Web Design
Backend	Node.js | Express.js | Spring Boot | FastAPI | REST APIs | JWT Auth
Databases	PostgreSQL | Supabase | MongoDB | MySQL
Tools & Cloud	Git | GitHub | Docker | Postman | Linux | Vercel | Render | AWS (Amazon SES)
AI & CS Core	GPT & Grok Integrations | LLM Integrations | DSA | OOP | DBMS | Operating Systems

PROJECTS

StoryForge AI – Voice Story Narrator

Tech Stack: FastAPI | Python | LLMs | Speech Recognition | Text-to-Speech

- Built an AI-powered storytelling platform converting voice input into dynamically narrated stories using an STT → LLM → TTS pipeline.
- Designed scalable FastAPI backend with async processing, reducing story generation latency by 40%.
- Integrated OpenAI-compatible LLMs and automated content pipelines to produce contextually rich narratives.

FitLife – MERN Stack Fitness Platform

Tech Stack: React.js | Node.js | Express.js | MongoDB | JWT | Tailwind CSS

- Developed a full-stack fitness web app with role-based JWT authentication securing 10+ API endpoints.
- Built 15+ RESTful APIs with Express.js and MongoDB enabling personalised workout tracking and progress analytics.
- Engineered responsive React.js UI with Tailwind CSS, achieving cross-device compatibility and optimised user flows.

EXPERIENCE

Software Development Engineer Intern | Joveo

July 2026 – Present

- Develop and optimize production features for JobletAI, Joveo's AI-powered job-search platform, using Next.js, React, Supabase/PostgreSQL, and REST APIs.
- Resolved job-search database bottlenecks caused by inefficient wildcard queries through improved indexing strategies.
- Build and integrate Grok and GPT-based plugins to extend JobletAI's AI-driven search and automation workflows.
- Developed Wheels2Wages and an automated CSV-to-XML feed pipeline for publisher job-data integration.
- Built JobletAI's SEO infrastructure (XML sitemaps, Google Job Posting structured data) and automated publisher email workflows via Sendy and Amazon SES.

Machine Learning Intern | EvoAstra

- Developed AI/ML-based automation solutions and contributed to backend API integration and data processing pipelines.
- Collaborated in agile sprint cycles covering software testing, debugging, and feature deployment.

AIML Intern | SoftPro, Lucknow

- Implemented Python applications and ML workflows covering model training, optimisation, and deployment.
- Participated in SDLC activities including requirement analysis, code review, and technical documentation.

EDUCATION

B.Tech – Computer Science & Engineering (AI & ML)

Noida Institute of Engineering and Technology (NIET), Noida | CGPA: 7.3 | Graduated: June 2026

Relevant Coursework: Data Structures & Algorithms | DBMS | Operating Systems | Computer Networks | Machine Learning | Deep Learning

CERTIFICATIONS

- **Full Stack Development with Angular and Spring** — *Infosys Springboard*
- **React.js Certification** — *Infosys Springboard*
- **Machine Learning & Deep Learning Specialization** — *Coursera*
- **Introduction to Artificial Intelligence** — *Coursera*
- **Python Essentials** — *Online Certification*

ACHIEVEMENTS & LEADERSHIP

- Captain, AIML Department Football Team – led team to college-level finals; demonstrated leadership.
- Qualified Internal Smart India Hackathon (SIH) – recognised for problem-solving and project delivery.
- Theatre Club Content Head – directed script writing and promotions for 3+ major productions.
